"Pupils' learning is now at the heart of everything they do."
Ofsted September 2012

Dear Parents/Carers,

This week assessments took place, which will be used together with your class teacher's on going class assessments as we look to see how well children are progressing. After half-term, teachers and staff will meet with senior leaders for the Pupil Progress Meetings, where we will track the progress made by your child.

Please do share with your teachers how well you think your child is progressing at home with their homework and reading. Your feedback about your child's progress is important to us. Thank you.

You may have heard about the planned tube strikes taking place next Monday, Tuesday, and Wednesday. Take care as you plan your journey to school, it is very likely to be busy on the buses and roads.

Have a restful weekend, *Miss Prayag* Headteacher

School Football Teams

On Tuesday both our girls and boys teams played against St John's at Rosemary Gardens.

The boys team won 6-0

The girls team lost 2-0 but are really gelling well as a team.
Well done to you all.

The girls played well and they co-operated together. The people that came to support were very encouraging and supportive. We would like to thank our coach Nathaniel and Miss Conti for helping us to try our very best.

The boys played excellent because they listened to each other and showed good sportsmanship throughout the game and shared the ball and scored many goals because of their great co-operation.

By Abel and Zuleika yr6.

We would like to invite you to a Coffee Morning every Monday from 9am until 9.30am. This is a wonderful time for parents and carers to socialise together over tea, coffee and biscuits.

Please do come along, Miss Kelly our HLTA is looking forward to seeing you all.
